Instructions for Buttons and Ports

Instructions

Basic Features

- Power on/off**
Long press the power button for 2 seconds to turn on the speaker and begin Bluetooth pairing, or to turn the speaker off. This process includes voice prompts.

2) Bluetooth connection

When the speaker is in the Bluetooth pairing mode, turn on your mobile phone's Bluetooth functions, then select "Mi Portable BT Speaker 16W" from the Bluetooth pairing list and click to pair. You will hear a prompt when pairing is successful.

To disconnect the speaker, short press button and the speaker will switch to Bluetooth pairing mode.

To clear the pairing records, long press button for 5 seconds.

3) True wireless stereo (TWS)

Short press button on a speaker, and the two nearby speakers will pair automatically and operate as left and right channels respectively.

(If connection fails, short press button on another speaker.)

To disconnect, long press button for 2 seconds on either of the speaker.

The smartphone can connect with the speakers before and after they are paired.

4) Calls

If a call comes in when the speaker is connected with a smartphone, the speaker will automatically pause the music and play a ringtone. When this happens, short press button to answer; short press button again to end the call. Long press button for 2 seconds to reject the call.

5) Indicator Light

Indicator light blinking	The speaker is in the Bluetooth pairing mode.
Indicator light on	The speaker is paired with a device, such as a smartphone.
Indicator light fast blinking	Two speakers are searching for each other for TWS.
Indicator light slowly blinking	Two speakers pair successfully but are not connected to a smartphone or other devices.

Other Features

- Press the and buttons at the same time to switch between EQ modes.
- Long press the and button to clear the pairing list and restore the default volume.

Basic Specifications

- Product model no.: MDZ-36-DB
- Bluetooth version: 5.0
- Supports: A2DP V1.3, AVRCP V1.6, HFP V1.7
- Speaker unit: 2x5.7cm
- Rated output power: 2x8W (@1KHz THD=1%)
- Frequency range: 80Hz to 20KHz
- Signal-to-noise ratio: ≥70dB
- Bluetooth transmitter power: -2 to 4dBm
- Bluetooth transmitter frequency range: 2.402-2.480GHz
- Bluetooth transmitter modulation: GFSK, π/4-DQPSK, 8-DPSK
- Battery: Lithium-ion, 3.7V, 2600mAh
- Battery charging: 5V 1A, 4hours
- Play duration: approx. 13hours (at 50% volume)
- Size: 21.3cmx7.4cmx7.4cm
