PANNIER BAG SINGLE (15L)

1. Please check whether you have all the inserts in the box.

2. Put all these insert pads into the inner layers of the bag.

1. Clip the hook clip into one side of the rack.

2. Clip the buckle into the bracket at an appropriate angle and fix it with a knob.

3. The buckle supports multiple angle placements, which can be used for other models.

4. Installation is complete.
